Lodging: On-site accommodations will be in the newly renovated Margaret A. Carigill (MAC) Lodge. All rooms have bathrooms and showers in them. Occupancy is based on bottom bunks only. The MAC Lodge was designed and renovated to meet Living Building Challenge standards - the highest sustainable building standards in the world. It is NET ZERO for both energy and water.

A block of rooms has been reserved at the AmericInn in Silver Bay for those interested in off-site accommodations.

To book your room call 218-226-4300 and ask for the Wolf Ridge ANCA block. There are many other hotels, B&B's and VRBO's in the area as well depending on the experience you are looking for.

Transportation: Transportation from Duluth is available. Shuttles will be leaving Duluth at 1pm and 3pm on January 18th. Return shuttles will leave by 8:30 am on January 22nd. Shuttle cost is \$100 round trip.

Conference Activities: Wolf Ridge operates year round, during the RELC conference we have a school group (that has been coming for over 20 years) of high school students on site. Not only will you have the chance to explore and experience Wolf Ridge for yourself but there will be some opportunities to observe programming as well! Other fun activities available will be:

- Cross country skiing
- Snowshoeing
- Dog sledding
- Ice Fishing
- Sustainable food and energy tours
- Citizen Science Research at Wolf Ridge exploration

Food: Our kitchen makes delicious, from-scratch meals, serving over 144,000 meals annually. We try to use local and organic food whenever possible - including our organic farm. Our farm team harvests, prepares and preserves over 15,000 pounds of food annually! Our kitchen team can accommodate vegan, vegetarian, dairy-free, gluten-free and nut free diets at every meal.
